GOLD COASTERS HELPING GOLD COASTERS

The Cause

The **Gold Coast Community Fund** is an incorporated body that was established in the early 2000 by some of the city's leading business figures.

The fund seeks to raise money through fundraising events and donations, creating a central pool of money for distribution to charities, community organisations and individuals in emergency need.

Its objectives are:

- To take a pro-active role within the Gold Coast community to assist in meeting the charitable, educational and recreational needs of the community.
- To bring together all levels of government, local business and charity workers to collectively support and assist the disadvantaged within the Gold Coast area.
- To develop and promote community fundraising programs on the Gold Coast.

The Course

The Glades Golf Club boasts the reputation as one of Australia's most prestigious resort golf courses and is located right here on the Gold Coast. Designed by champion Australian golfing icon, Greg Norman, the course is typical of his trademark aggressive layouts offering golfers a challenging round of golf within visually stunning surrounds.

The course is currently rated within the top 55 courses in Australia by Golf Digest Australia.

All monies raised stay on the Gold Coast for distribution to Gold Coast charities and individuals in need.
